Update on Heritage Hall and Rare Book Room Renovation

Phase 2 of this renovation project has begun, bringing more dust and noise to the 2nd floor of the library! Phase 1 involved improved storage areas; Phase 2 will provide updated office space for Heritage Hall staff and a new reading room for archival and rare library materials. Work is expected to be completed in May 2012.

During renovation, Heritage Hall archival materials and staff are located temporarily in the Surge Building (across the East Beltline). Questions about access? Contact Heritage Hall staff at 526-6313.
